

Office of International Relations, SRMIST

2nd Floor, University Building, SRMIST, Kattankulathur, Chennai.

Dear candidate,

Thank you for showing interest in the internship, we would like to inform you that you will be undergoing a probation period where you will be assigned to some tasks that have to be completed before the given deadline. The tasks will be given for all the three roles and you are requested to complete them according to your preference. You must complete any one of the assignments and submit it before the deadline.

General Instructions for the candidates :

- The deadline for submission of all the assignments is **01.11.2022(Tuesday)** and submissions/changes made after the deadline, will not be accepted under any circumstances.
- Submissions are to be made through this [google form](#) ONLY, submissions made by any other means will not be considered.
- While submitting the assignments, use the same details as you have filled in the application form.
- If you are applying for multiple roles, please fill the form differently for each role.
- Once the assignment is submitted, the Office of International Relations will have all the rights to use any of the assets that are submitted, even if you are not a part of the organization.
- The decisions taken by the senior authorities of the Office of International Relations will be treated as final.
- In case if you have any query, you can reach out to us via mail at ns4455@srmist.edu.in.

Role : Graphic Designer
